

DECLARATION OF COMPLIANCE

EU RoHS Directive 2011/65/EU¹ and Amendment EC 2015/863²

NEUTRIK AG hereby declares, under its sole responsibility, that all products placed on the market are in conformity with the requirements of Directive 2011/65/EU of the European Parliament and of the Council on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS), as amended.

- NEUTRIK AG confirms that none of the restricted substances listed in Article 4(1) and specified in Annex II of the Directive exceed the maximum concentration values tolerated by weight in homogeneous materials.
- In accordance with Annex III of Directive 2011/65/EU, exemption 6(c) is applicable to specific products containing components made of copper alloys with a lead content of up to 4% by weight (CAS No. 7439-92-1).
- This exemption applies in particular to certain products within the XLR, BNC, plugs and jacks, as well as speakON, opticalCON, and powerCON product families, which incorporate copper-based alloys such as brass for functional and manufacturing purposes.

This declaration is issued on the basis of supplier declarations, material data, and internal compliance verification processes, and reflects the current state of knowledge in accordance with applicable regulatory requirements.
